CUB Exhibit 5.0

- 1 Q. Please state your name and address.
- 2 A. My name is Pamela Steigman, and my home address is 3415 N. Marshfield, Chicago,
- 3 Illinois 60657.
- 4 Q. What is your present occupation?
- 5 A. I am a Research Data Analyst at the National Research and Training Center on
- 6 Psychiatric Disability in the Department of Psychiatry at the University of Illinois at Chicago.
- 7 On whose behalf are you testifying?
- 8 A. I am testifying on behalf of the Citizens Utility Board.
- 9 O In what capacity are you testifying?
- 10 A. I am testifying as a customer of Ameritech, and not in my professional capacity. My
- testimony is not related to my occupation.
- 12 Q. How long have you been a customer of Ameritech?
- 13 A. I have had telephone service with Ameritech at my present address since 1994.
- 14 Q. How many people share your telephone line?
- 15 A. I do not share my telephone line with anyone. I am the only person who uses it.
- 16 Q. Did you ever subscribe to the CallPack 100 Plan?
- 17 A. Yes. I subscribed to the CallPack 100 Plan in mid-July, 1999 and stayed on that rate until
- 18 mid-January, 2000.
- 19 Q. Why did you subscribe to the CallPack 100 Plan?
- 20 A. I called Ameritech customer service to inquire about Voice Mail in mid-July, 1999, and
- in the course of that call the customer service representative suggested that I sign up for CallPack
- 22 100. She said that based on my calling pattern CallPack 100 would be more cost-effective than

- the basic rates. She said the calls would be untimed, which is why it would be more cost-
- 2 effective. I believed that she knew my needs because I believed she had my bills and could see
- 3 how I used my telephone.
- The basic rates were never disclosed to me during that call and there was no mention of
- 5 the competitors' rates in Band C.
- 6 Q. Did you sign up for Voice Mail at the same time that you subscribed to CallPack 100?
- 7 A. No. I had CallPack 100 about 3 months before I signed up for Voice Mail.
- 8 Q. Did you notice any change in your bill after you subscribed to CallPack 100 but before
- 9 you got Voice Mail?
- 10 A. No, nothing significant.
- O. Did you notice any change in your bill after you got Voice Mail?
- 12 A. Yes. My first bill with Voice Mail was dated October 25, 1999 and showed 330 calls at
- 10 cents each. My second bill with Voice Mail dated November 25, 1999 showed 498 calls. I
- was shocked at the size of my bill, but decided to wait and see what December's bill would total
- before canceling anything. I called Ameritech customer service in the beginning of January after
- receiving the December 25<sup>th</sup> bill, as the number of calls totaled 447 at 10 cents a call. I was
- informed that each time I received a voice message and each time that I retrieved my voice
- messages I was charged 10 cents under the CallPack 100 plan. In other words, I was charged 20
- cents for each recorded message. I canceled voice mail and CallPack 100 at that time.
- Q. When you signed up for Voice Mail, were you informed that each time you received or
- 21 retrieved your voice messages you would be charged 10 cents under the CallPack 100
- 22 plan?

- 1 A. No.
- Q. Did you have any conversation with the customer service representative about CallPack
- 3 100 when you called about your December 25, 1999 bill?
- 4 A. Yes. The customer service representative said that I should never have been put on
- 5 CallPack 100 and that it was inappropriate for me. She noticed that MCI was my local toll
- 6 company, and said that Ameritech's local rates, using the Simplifive plan were better than any
- 7 other companies' rates. I agreed to be switched to that plan.
- 8 Q. Did the Ameritech Customer Service representative ever tell you what the basic rates
- 9 were?
- 10 A. No. She just said that Simplifive was appropriate for me.
- 11 Q. Did you contact Ameritech customer service again after you canceled voice mail and
- switched to Simplifive?
- 13 A. Yes. I contacted Ameritech customer service on or about January 16-18, 2000 to insure
- that I was billed appropriately given the change in my service. I brought up CallPack 100 to her
- and that I heard news reports alleging that the CallPack was unfair. She said that the news
- reports about CallPack were just wrong.
- O. Did you do anything else regarding the CallPack 100 rate?
- 18 A. Yes. I contacted CUB to find out about their allegations. I sent CUB a copy of my bills.
- The attorney for CUB later contacted me and I agreed to testify in this case about my
- 20 experiences.
- Q. Have you reviewed your bills to determine if CallPack 100 was a more economical rate
- 22 that basic rates?

- 1 A. Yes. I reviewed my October 25, 1999 through February 25, 2000 bills, and obtained an
- itemization of my calls for my May 25- June 24, 1999 and January 25- February 24, 2000 bills.
- 3 Copies of my bills and the itemizations are attached as Schedules A and B.
- 4 Q. Have you been able to analyze your bills and the itemizations you received to determine
- 5 whether CallPack, Simplifive or basic rates are most economical for you?
- A. Although I looked at my bills and the itemization, I have not been able to do the
- 7 calculation necessary to determine which rate would be least costly to me. Jonathan Goldman at
- 8 CUB did the analysis based on my January 25-February 24, 2000 itemization.
- 9 Q. Do you know what his conclusion was?
- 10 A. Yes. For my February 25, 2000 billing, I would have been charged \$17.70 under the
- 11 CallPack 100 Plan. Under Simplifive I paid \$15.26, including the volume discount. Under
- basic rates I would have been charged \$13.29, again including the volume discount.
- O. Did you or Mr. Goldman review your May 25 June 24, 1999 itemization?
- 14 A. I reviewed that itemization myself. I found that I made an extraordinary number of long
- duration band C calls that month. I only call three numbers that are in band C, and I do not make
- long calls to these people that often. However, in May-June, 1999 I used 311 minutes in band C.
- Given the large number of band C minutes shown on my May-June itemization, I believe that
- 18 CallPack would have been a good rate for me that month.
- 19 Q. Does the May-June itemization represent your normal calling pattern?
- 20 A. No. My July 25, 1999 itemization shows 311 band C minutes. However, my October 25,
- 21 1999 through February 25, 2000 bills show that my band C calls are irregular. In October I
- 22 made a 101 minute call; in November I made a 20 minute call; in February I made one long

- duration band C call of 66 minutes. I do not have my records for December, 1999 and January,
- 2 2000.
- 3 Q. Did you understand when you signed up for CallPack that CallPack would be to your
- 4 advantage if you made long duration calls to band C?
- 5 A. No. The customer service representative just told me that I would benefit. She did not
- 6 explain that some calls are timed at 10 cents a minute and others are untimed, and she did not
- 7 mention that the distance of a call was related to its cost.
- 8 Q. Had you known that information, would that have affected your decision to subscribe to
- 9 CallPack?
- 10 A. Yes. If I had thought that CallPack was recommended to me because I made several long
- duration band C calls in May/June, I would have been able to judge whether I ordinarily make
- that many long duration band C calls.
- O. Had you understood that different calls were billed at different rates would that have
- affected your use of the CallPack plan?
- 15 A. Yes. If I had understood that calls that had been timed at 10 cents per minute were 10
- cents per call and timed band B calls were also 10 cents regardless of duration under CallPack, I
- 17 could have made more and longer band B and band C calls to take advantage of the rate.
- O. Do you believe you took full advantage of the CallPack rate?
- 19 A. No. In addition to not making long, band B and band C calls, I subscribed to MCI for my
- local toll service while I was on the CallPack plan. I did not understand that timed, band C calls
- were the same as the local toll service offered by long distance companies. In October I
- selected MCI as my local toll company. Although I was paying the CallPack rate which is quite

- favorable for band C calls, I did not receive the 10 cent per call rate for band C calls for about
- 2 half of the time I was on that rate because I had selected MCI as my local toll company.
- 3 Q. When you got off the CallPack rate and subscribed to Simplifive, did you understand that
- 4 Ameritech would provide your local toll service instead of MCI providing it?
- 5 A. Yes. The customer service representative told me that the Ameritech rate was better for
- 6 me.
- 7 Q. Do you believe you saved money by subscribing to the Simplifive rate?
- 8 A. No. In reviewing my bills, I found that the MCI local toll rate was 5 cents off-peak,
- 9 which is when I make the majority of my band C calls. This is the same as the Simplifive rate.
- However, I paid significantly more for my band A and band B calls under Simplifive, so in total
- my bill was higher than it would have been had I kept MCI for local toll and been put on
- 12 Ameritech's basic rates.
- Q. Do you know what portion of your calls are band A, band B and band C?
- 14 A. Yes. From a review of my bills, I found that over 90% of my calls are within band A.
- These calls are untimed and cost between 3.5 and 5 cents under Ameritech's basic rates. My
- 16 February 25, 2000 bill shows that I made 160 untimed calls, and I was charged 5 cents per call
- 17 regardless of when the call was made. I made only 17 timed calls, which is about 10% of my
- calls. Of those calls, 10 were in band B and 7 were in band C. My January 25, 2000 bill is
- consistent with this pattern. I cannot discern my calling pattern from the CallPack bills.
- Q. Which rate do you believe is the best rate for you?
- A. I believe the basic rates are the lowest for me, and would be the best rate for me for my
- local calling. I can obtain band C service from another company and get the same 5 cent rate

- Ameritech offered me. Although this rate is limited to off-peak times, I make the majority of my
- toll calls on weekends and in the evening, so the off-peak rate meets my needs. I also make very
- 3 few band A and band B calls during peak periods, so my rates would be lower under basic rates
- 4 than the Simplifive rate. Because the vast majority of my calls are band A calls which cost less
- 5 than 10 cents each, I believe that CallPack would ordinarily not be the more economical rate for
- 6 me.
- 7 Q. Does this conclude your testimony?
- 8 A. Yes.

#### **VERIFICATION**

I, Pamela Steigman, on oath stated that if called as a witness herein, I would testify to the facts contained in the documents designated Direct Testimony of Pamela Steigman, CUB Ex. 5.00 and Rebuttal Testimony of Pamela Steigman, CUB Ex. 5.1 as my testimony in this docket. I further state on oath that the information contained in those documents is based on my personal knowledge, and is true and correct to the best of my information, knowledge and belief.

Pamela Steigman

Signed and sworn to before me this <u>30</u> day of May, 2000.

Patricio C Burdett Notary Public

"OFFICIAL SEAL"
Patricia A. Burdett
Notary Public, State of Illinois
My Commission Expires March 6, 2002
